

Dear <<Colleague>>,

On 1<sup>st</sup> April 2021, **Manchester University NHS Foundation Trust (MFT)** formally acquired the **North Manchester General Hospital (NMGH)** site and services from The Pennine Acute Hospitals NHS Trust (PAT).

We are writing to advise that the transaction took place successfully and to remind you of final steps you should be aware of as an NHSP Bank Doctor at the PAT.

### Your NHSP: *Connect* Profile

If you currently work across all sites within the PAT (including NMGH), you will still be provided access to work at the hospitals you currently work at. If you didn't work at NMGH during the 12 months leading up to 1<sup>st</sup> April, you will no longer have access to work shifts at that site.

### Submitting Timesheets

To ensure that all your shifts are paid promptly, it is important to ensure that all outstanding timesheets for shifts worked at the PAT up to and including the 31st March 2021 are submitted by **Tuesday 13th April 2021** as the final cut-off for timesheet authorisation will be **Wednesday 14th April 2021**.

### Bookings for dates post 1<sup>st</sup> April 2021

All your existing the PAT bookings for NMGH that are on the system for dates on or after Thursday 1st April 2021, have now been migrated across to MFT.
