Doctors Direct has an excellent opportunity available at **West Hertfordshire Hospitals NHS Trust**. We are looking for a **FY2 & Above** to join our dedicated team offering you the opportunity to work flexibly with the first choice of shifts in **Emergency Medicine**.

The Trust:

West Hertfordshire Hospitals NHS Trust has a vision to provide the very best care for every patient, every day. And with around half a million people living in Hertfordshire and the surrounding areas, it works hard to deliver a range of acute healthcare services to them. It also offers specialist services to wider populations, including those in North London and Bedfordshire.

The Trust is made up of three hospitals: Watford General Hospital, St Albans City Hospital and Hemel Hempstead Hospital in Hertfordshire. Across its sites, the Trust is proud to have firm control of hospital acquired infections, one of the safest maternity services in the country, and strong partnerships with local authorities. Here, the Trust is setting the standards for exceptional patient care.

Requirements:

- Full GMC licence to practice
- Minimum of 6 months paid experience in an NHS Trust within the last 2 years
