Doctors Direct has an excellent opportunity available at **Coventry and Warwickshire Partnership NHS Trust**. We are looking for a **Consultant** to join our dedicated team offering you the opportunity to work flexibly with the first choice of shifts in **Psychiatry - Child and Adolescent**

The Trust:

Coventry and Warwickshire Partnership NHS Trust provides a full range of mental health and learning disability services for people of all ages at over 60 locations. Around one million people living in Coventry, Warwickshire and Solihull have access to the Trust's inpatient, community and day clinics, as well as its specialist services which range from children's social care through to medicine management.

The Trust is constantly looking for new ways to make its patients, and the organisation, better. In fact, it has a growing Research & Innovation team completely dedicated to finding service users who could benefit from current studies. Above all, community is at the heart of everything the Trust does – and it works closely with local people at every opportunity, whether that's by promoting self-care within the home or holding events which raise awareness of health issues.

Requirements:

- Full GMC licence to practice
- Minimum of 6 months paid experience in an NHS Trust within the last 2 years
