

Do you have excellent interpersonal skills? Are you flexible, approachable and a team player? Do you have knowledge of IT systems?

Quit 4 Life are looking for Advisors

Location: Hampshire

Band: 4 between £10.51 - £13.66 days/weekends

Join our friendly team at Quit4life, Hampshire's NHS Stop Smoking Service part of Southern Health NHS Foundation Trust.

We are looking for motivated individuals who can engage with the people of Hampshire, providing advice and support to help people who want to stop smoking. After full training you would be delivering smoking cessation consultation sessions, either as 1 to 1 or with a group; these may be face to face clinics in the local community, local hospital or by telephone. You would also need to attend events which are aimed at raising public awareness of Quit4life in Hampshire, such as Community Fun Days or No Smoking Day.

We need people who can provide ad hoc cover to support the stop smoking team; this will include some early evenings and occasional weekends. You will need to be comfortable working independently and will be passionate about helping people to improve their health and wellbeing.

. Ideally you will have experience of working within a health promoting role and a working knowledge of NHS functions. You will need to have excellent communication skills – both written and verbal, have a good telephone manner.

Travel across the area will be required. Professional qualification NOT required – Full training is provided

What perks are we offering in return?

- 1st choice of over 4,200 placements – your dedicated consultant can book your placements today.
- Work this week, get paid next - Get paid the following Friday when you release your timesheets by 23:59 on Wednesday.
- Get paid to take holiday! - Holiday is accrued during every shift you work.
- Statutory maternity/paternity (subject to qualifying criteria)
- Access to our very own pension scheme called 'NHSP Stakeholder pension' for eligible members
- Free training and development opportunities

...and we are part of the NHS family!

We value your skills and experience and can provide you with a fantastic opportunity to work within the NHS and deliver a great experience for patients.
