

Female Genital Mutilation: Recognising and Preventing FGM

Who is this course for?

This course is useful for anyone who is interested in gaining an overview of FGM, particularly frontline staff in healthcare, police, Border Force and children's social care.

Course details

Throughout the course, we follow Hope as she encounters the key issues relating to FGM and we see how they affect her throughout her life. The training will help a wide range of professionals to identify and assist girls who are at risk of FGM.
